

Shaggy lipped bulbophyllum (Orchid17)

Bulbophyllum lasiochilum

€ 20.31

Bulbophyllum lasiochilum, also known as the shaggy lipped bulbophyllum is a miniature orchid with remarkable pseudobulbs. Originally this extraordinary orchid is found in countries such as India, Burma, Thailand and Malaysia. The Bulbophyllum lasiochilum orchid is used to a warm to hot environment, partial shade, lots of water and fertilizer and fits well in a hanging pot. The flowers' color is a creamy yellow with red-brown spots. The scent of this Asian orchid is considered very pleasing by most and is reminiscent of strawberries.
