

## Orchid Masdevallia nidifica (Orchid87)

Masdevallia nidifica

€ 16.35

The Masdevallia nidifica is a miniature orchid which is found in Middle and South America at altitudes between 450 and 2500 meter above sea level. The flower is yellow with dark red accents and has very distinctive wisps at the ends of the three parts of its petal. Masdevallias commonly require little warmth, a lot of shade and proper ventilation. The medium which contains them must be kept moist.
