

Begonia carolineifolia 'Starter plug'; (Begonia05a)

Begonia carolineifolia 'Starter plug';

€ 16.35

Begonia carolineifolia is an easy Begonia for the living room which has a striking woody trunk and palm-life shaped leaves. It is striking as a house plant and surely just as much an eye-catcher in your terrarium or as a exotic plant at home. The light-pink flowers with yellow hearts are an added boon to this already beautiful flower.

Plantcare

Begonia carolineifolia is a house plant which must receive sufficient water, though one must be sure to let the soil dry in between watering sessions. Use lukewarm water. Don'T rotate the Begonia if it'S in the windowsill as the delicate stalk may break as the flower tries to reorient towards the sunlight.
