indoor

Adult width:

4 cm

Light:

full light

Watering:

high

Araflora info

non-edible

### Product info

*Dionaea muscipula* 'Pincushion' is a Venus flytrap cultivar with a difference. Its appearance is unique. Its leaf lobes do not close but their unusual and decorative shape more than makes up for the fact. This variety of Venus flytrap cultivar obtains the nutrients it needs from water and from light.
