

Bladderwort #039;Utricularia Starter package 4#039; (Carniutr65)

Utricularia starter package 4 species

€ 19.66

This Utricularia package consists of four species. Always Utricularia livida, Utricularia calycifida and the nice Utricularia sandersonii. Depending on our stock we add Utricularia livida mexico, Utricularia flaccida or Utricularia pubescens. These carnivorous plants are nice for in a window or as terrariumplant. These utricularia plants have all small snares that snap shut with lightning speed to catch little soil animals. The flowers of these utricularia are really nice.

Plant type:

carnivorous

Place:

indoor
