

Asplenium x kenzoii ?L? (Fern118)

Asplenium x kenzoii •

€ 16.00

Asplenium x Kenzoii is our newest fern at Araflora. This fern makes new babies on every leaf and will be fun to share the mini asplenium ferns with your friends. This is a easy plant for indoor and can be kept outdoor above freezing temperatures. We are testing this plant for our indoor terrarium and it looks like it is doing really well. This is a pot with multiplants Asplenium x kenzoii is a real must for all plant enthusiasts. Additional information about this plant will become available later.
