

## Venus flytrap 'Dionaea muscipula' 'Green snow' (CarniVFT33)

Dionaea muscipula 'Green snow'

€ 0.00

The *Dionaea muscipula* 'Green snow' is an unusually coloured Venus fly-trap mutant. The colour of the *Dionaea muscipula* 'Green snow' can run from green to red and even to light-pink, almost white. This unique pattern ensures that every trap and every stalk has its own different, surprising colour. In order to be able to enjoy its great variation in colour to the full the *Dionaea muscipula* 'Green snow' needs attentive care: constant watering [ during the growth season] and plenty of sunlight.
