

## Aeonium tabuliforme variegata (SuCa283)

Aeonium tabuliforme variegata

€ 17.00

The Aeonium tabuliforme variegata (the flat-topped aeonium) is a wondrous desert plant with the thick, succulent, light green leaves arranged in a mathematical pattern. There are small hairs on the leaf margin. In this case it is a variegated variant. Aeonium tabuliforme variegata is a real must for all plant enthusiasts. Additional information about this plant will become available later.
