

Begonia burkillii (Begonia164)

Begonia burkillii

€ 35.00

The Begonia burkillii is a rare Begonia with shiny velvet leaves and a beautiful drawing on the leaf. The dark green colors combined with silver make this plant so special, with each leaf forming a unique pattern. Place this begonia in a spot with partial shade. It is also very important to keep the soil slightly moist so that it does not dry out. A great asset for real plant lovers and now available at Araflora plants.
