Product info

Sorry, no additional information on this Araflora plant. Additional information about this plant will become available later. The symbols below will give you some indications for this plant. We are working hard on adding valuable information as soon as possible.

Height:
10 cm

Width:
4 cm

Adult height:
5-10 cm

Adult width:
10 cm

Flower period:
Jan-July

Temperature winter:
-5 °C

Product:
plant

Plant type:
carnivorous

Growth habit:
normal

Properties:
botanical

Growth rate:
normal
